2. **Professional Learning Teams Overview (Late Start Wednesdays) & SBAC Testing**

- We have been mobilizing as a building to align curriculum to the standards. This has been electronically saved into BYOC curriculum to help us implement and teach the standards.
- The staff reviewed the SBAC testing (replacement for OAKS) that will be implemented this spring. We reviewed one part of the test, the
 - Mrs. Conti asked about the implementation of this testing and the connection to funding and teacher evaluation. Mr. Linenberger gave us an overview of where the evaluation process will be headed.
- Mr. Clark shared about how the staff is trying to prepare building-wide to help apply math skill to other classes and curriculum.
 - Mrs. Conti questioned what we can/are doing to stress to student to take the test seriously. Mr. Linenberger shared that his research found that smaller and more prizes seemed to make a bigger difference in motivating students. Mr. Linenberger will not be doing prizes this year as we spent that money on the new kiln for the pottery class. We discussed other sources for prizes.
 - The PTC is currently focused on improving our drinking water throughout the building.
