Agenda

1. Professional Learning Teams Overview (Late Start Wednesdays)

- Staff who attended the Anita Archer conferences shared some of the strategies for effective teaching.
- Staff who attended the Literacy Committee about developing a culture of Peer Observation.
- Staff continues to work on Build-your-own-Curriculum
- Staff continues to collaborate on SBAC Preparation

2. SBAC and State Testing Review

- Language Arts has concluded their testing for the year. They finished up in April.
- Math is in the middle of testing. Ms. Beranek's 6th graders are done testing. Mrs. Oland and Mr. Nichols are working on testing now.
- Mrs. Human will be working to help students finish testing before their testing windows close.

3. Building Update

- Mr. Breeden shared that we will be getting new ventilation fans in all four restroom to try to improve the air quality.
- The grounds crew has been working to clean up the courtyard so students can have lunch outside.
- We are replacing the bases for several toilets for safety as well as several other upgrades.
