

Volunteers are an important part of the education team. Volunteers in Jefferson's schools contribute greatly to the education of our students, helping school staff to enrich the learning experience of our students. By sharing their time, volunteers allow our schools to offer more services to children and families, better meeting the individual needs of each child.

How you can be a good volunteer:

- ❖ **Be on time and reliable.** Volunteers are most helpful when they can be counted on. If you can't make it or will be late, please call the school office as far in advance as possible. Be fair and realistic about the times you can volunteer, and then stick with that schedule. Make it a priority.
- ❖ **Be a good representative of your schools.** As a volunteer, you represent the school and the district, not just when you're here, but everywhere in the community. Help spread the word about the good things that your schools are doing. Answer questions when you can or urge people to call the schools for more information. If you have concerns about anything happening in the school, talk to the principal.
- ❖ **Keep confidential information confidential.** As a volunteer, you may learn confidential information about our students. It is critical that you keep that information confidential and do not divulge it, even to friends or family. We trust you to maintain students' rights and privacy, and they do, too.
- ❖ **Set a good example for students and visitors by following school and district rules.** We expect our students to dress, speak and behave appropriately. Your dress, behavior and language set an example when you volunteer in the schools. Please do not wear revealing clothing. Clothing that contains references to alcohol, tobacco, drugs, violence or inappropriate language are not allowed. Please remember that student discipline is the responsibility of the teacher and/or principal. Remember ~ the example that you set for students shows that school is an important place that deserves respect.

Learn the basics ~ Your job as a volunteer will be easier if you learn the following:

- ❖ The classroom, school and district's rules
- ❖ Your way around your school or other volunteer site, including the location of restrooms, supply and work room areas, staff lounge areas, and entrances and exits
- ❖ Where to sign in and out, and how to get your nametag
- ❖ What to do in an emergency (see following sections)
- ❖ Where to park
- ❖ Your school's calendar and schedule
- ❖ How to purchase lunch from the cafeteria

Background Checks: All volunteers in the Jefferson School District are required to pass a criminal background check every other year before volunteering. You will be asked to complete a [Criminal History Verification of Applicants form](#). This form will be processed through the Criminal Information Services (CRIS) System. The information provided is confidential. There is no cost to you for the record check. District Policy IICC Volunteers is available on the website [at this link](#). The supporting Administrative Rule, IICC-AR Criminal History Check for Volunteers can be found [here](#).

Report to the School Office: Volunteers are responsible to the building Principal. If you have a question or need an explanation for something you do not understand, ask the teacher or Principal.

Child Abuse: Volunteers should report suspected incidents of child abuse to the Principal. This can include physical abuse, sexual abuse, or neglect. If you suspect child abuse, see the Principal and refer to the section on child abuse reporting in the School District Staff Handbook or District Policy Book, Policy 9600.

Drug and Tobacco Policy: Jefferson School District 14J has a drug-free workplace policy and prohibits the use of tobacco products of any kind on District property. If you suspect someone is distributing, in possession of, or using a controlled substance, report the information directly to the Principal or another District administrator. See the School Board Policies and Procedures for additional information.

A VOLUNTEER'S RESPONSIBILITIES:

Dependability:

- ❖ Your loyalty and dependability are determined in large part by the degree of satisfaction you feel when you work as a volunteer in our district. The tasks you are assigned should be meaningful and varied, and the level of responsibility should increase as you feel you can handle it.
- ❖ Our volunteers join us with enthusiasm and high hopes for a good experience for everyone. If you are not dependable, the school should learn why and be sure you understand what to do when you cannot come on an assigned day.
- ❖ Our teachers understand the value of our volunteers and how they relate to the total effort.

Professionalism:

- ❖ Volunteers model the professional attitude demonstrated by district staff in dress, manner, behavior, etc. Remember ~ although your job is that of a volunteer, your commitment is professional.

Confidentiality:

- ❖ The issue of confidentiality cannot be overstressed in our schools. Remember ~ do not comment on individual students, faculty members, or the school in an inappropriate manner. Confidential files, papers and records should be put away immediately after they are used and are not to be shared with others.

Questions and Answers:

- ❖ Be sure to get clear directions or instructions from the supervising staff member.
- ❖ Be sure you understand the assigned tasks.
- ❖ The teacher will provide you with samples or demonstrate how tasks are to be performed.
- ❖ You should feel comfortable about asking the teacher or other staff member for clarification when needed. Good communication is a key to the success of our volunteer program.
- ❖ If you are unsure about an assignment or have a question of any kind about the schools, please don't hesitate to ask.
